**Designer Showcase, Nyack.** Set in the prestigious Forest Ridge community, this pristine 4 bedroom, 3.5 bath Town home's spacious layout and scale creates the feel of a house, but with all the convenience of a condo. Numerous upgrades include gleaming hardwood floors, crown moldings, recessed lighting, a huge deck, and a full finished lower level with an en-suite bedroom & garden walk-out. The open concept design features a stunning Great Room with soaring cathedral ceiling, Palladian window and skylights, and a dream chef's eat-in-kitchen with granite and stainless steel appliances, opening to a spacious deck with scenic vistas & seasonal Hudson River views. The living room's wall of custom French doors opens to the formal dining room and great room for seamless entertaining. The private Masters Suite has a vaulted ceiling & Palladian window framing tranquil views. Enjoy a great lifestyle in a scenic enclave near downtown Nyack restaurants and just minutes from the Tappan Zee and NYS Thruway for an easy commute. Watch the movie & call Noemi 845-494-5015!
